2 AUTO AGENCIES, LARGE OFFICE BUILDING FOR 23RD ST. SECTION

New Home For Chevrolet 3 Structures To Represent Over \$130,000

Announcement that two auto firms had arranged for the building of salesrooms, representing an investment of \$80,000 at Twenty-third street and Barrett avenue, followed close on the heels of another announcement yesterday that a \$50,000 office and store building would be started immediately at Twenty-second street and Macdonald avenue.

These announcements following close on the starting of work at the new Richmond hospital on Twenty-third street a few blocks north, points to the Twenty-third and Macdonald avenue section as taking a prominent part in the business development in the city.

Chevrolet Salesroom
The Golden Rule Chevrolet company now located at Fifteenth street and Macdonald avenue will occupy a salesroom and garage to occupy 10,000 square feet which will be constructed at the southeast corner of Twenty-third street and Barrett avenues. The structure to be constructed by Burg Brothers, will represent an investment of approximately \$40,000. Basil Spurr of Burg Brothers handled both auto firm deals.

Plans for the new building are now being prepared by James T. Nabrett and will include the most modern features in garage and auto salesroom construction. The structure to cover four lots will have a frontage of 50 feet on Twenty-third street, 150 feet on Barrett, and an L, 50x100 feet, will be built back from Barrett avenue.

Plate Glass Fronts
The Barrett and Twenty-third fronts will be made of plate glass. The entire structure will contain more glass and light than any garage in the county. The structure will be built of steel and brick.

The section fronting on Twenty-third street will be devoted to

CHAIN STORE SEEKING LEASE

A modern two story brick business block is to be erected on the southwest corner of Twenty-second street and Macdonald avenue. The lot is 50x100, and the property with the building will represent an investment of approximately \$5,000.

The improvement is being made through the office of Mrs. W. H. Sanford, realtor at 2221 Macdonald avenue.

The plans for the building were drawn by the architect firm of Coffman, Sahlgren and Stanford, with offices in the American Trust building.

Ornate Design
The detailed plans call for a building of very ornate design, made up of brick and steel, and so constructed that additional stories may be added to it in the future.

On the first floor there will be two stores, the one on the corner will undoubtedly be occupied by a drug store, and will be of plate glass windows.

Chain Store
The second store will be 36x100 with the entrance door in the center of the space, with wide plate glass windows. Two chain stores are now negotiating for this space.

In the rear of the building will be a basement, for the heating plant.

On the second floor there will be 16 offices, facing on Macdonald avenue and Twenty-second street. These offices will be occupied by professional men, some of them being already engaged.

The structure will be modern in every respect, and will be steam heated throughout.

Ross will receive bids for the building tomorrow up to noon.

Business Men Asked To Display Flags
An appeal to Richmond business men to show their patriotism by displaying their flags was made yesterday by commanders of Richmond veteran organizations.

The group requested that every business man display their flags and add to the general patriotic display.

BIRTHS RECORDED
Two births were recorded yesterday with the City Health department. They are for Harvey A. Morrill, born May 24 to the wife of Earl Le Roy Morrill of El Cerrito and Louise D. Cardozo, born May 24 to the wife of William Cardozo of Rodeo.

Record-Herald Will Observe Memorial Day

Employees of the Richmond RECORD-HERALD will be giving an opportunity today to join with the city in honoring its war dead.

A vacation has been declared for the holiday and as a result there will be no Friday morning issue of the RECORD-HERALD. The next paper will be delivered Saturday morning.

The two are joint owners of Lighthouse Inn, a road house on the state highway near San Pablo.

Compromise Of Suit Petitioned
MARTINEZ, May 29.—A petition to compromise a claim for damages was filed in superior court here today by Mrs. Elizabeth Wilson. Mrs. Wilson asked that she be allowed to accept \$2000 as compensation for injuries incurred by Gaylin Wilson, her son.

The child is alleged to have been struck by an automobile driven by Luigi Ferrando in Richmond on Nov. 19, 1928.

BUILDING PERMIT
A. G. Schimpff was yesterday granted a building permit by the office of A. J. Hurley, city building inspector, to construct a sleeping porch addition for a home on Seventh street between Chandler and the Santa Fe railroad. The work to cost \$150 will be done by W. A. Ganser, contractor.

Building Permits In May Total \$159,910

Richmond building activities hit a decided spurt during the month of May, records in the office of A. J. Hurley, city building inspector, indicated last night. With but one day remaining in which permits can be obtained this month, the total building for the month had reached \$159,910 as compared with \$86,600 for the same month last year.

The slowing up of home construction which has been noticeable since the first of the year continued. Although fewer homes are being built the average cost is far above that of previous years.

Included in the permits for this month are the new hospital on Twenty-third street at a cost of \$75,000 and the new apartment house on Thirteenth street representing \$60,000.

The remainder of the month's total is divided as follows: Four homes costing \$11,000; 27 alterations costing \$7,785; and 12 garages and outbuildings at a cost of \$1225.

The total for May of last year was divided among 17 homes, 3 business houses, 18 miscellaneous buildings and 21 alterations.

Man Electrocuted In Radio Station

OAKLAND, May 29.—Carroll Scherer, 34, a mechanical engineer, 415 Perkins street, was instantly electrocuted here last night in the power station of the Radio Station KGO when an 18,000 volt discharge jumped from a rectifier tube to his hand.

Scherer, accompanied by S. C. Schlager and John Dods, of the General Electric company, which operates the radio station, were inspecting the plant equipment, when Schlager threw the switch and the sudden break in the program, the death of a man.

Inhabitor crews, doctors and tube is protected by a brass rail. Dods was pointing out the assistants worked over Scherer different parts of the circuit when for more than an hour in a Scherer asked a question, point-hopeless attempt to save him.

The Richmond municipal band, city officials, police department and fire department will form at Macdonald avenue between First and Second streets. Veteran organizations and auxiliaries will form on First street between Macdonald and Bissell avenues. Boy Scouts, Girl Scouts, Campfire Girls and other organizations will form on First street between Macdonald and Nevin avenues.

When the paraders disband at Twenty-third street and Macdonald, the groups will go to the Sunset View cemetery where they will be met by the Berkeley delegations.

At the cemetery, services will be held. Patriotic songs, speeches and religious services will be held. A firing squad from the Richmond National Guard will then fire a salute over the graves of veterans and Buglar Thomas. News of Richmond will sound "Tape."

In the afternoon a band concert will be presented at the Memorial park bandstand by the Richmond Municipal band, under the direction of A. A. Hart. The concert will start at 2:30 o'clock.

All Richmond stores will remain closed during the day and schools have called a vacation for the day.

Yesterday city employees were busy decorating the streets with flags and bunting and Richmond merchants were busy placing flags in holders on the sidewalks.

18 Trapped In Tube Explosion
JERSEY CITY, May 29.—UP—Eighteen men were imprisoned in a caisson under the Hackensack river tonight following an explosion on the new diagonal bridge being reconstructed at West Newark Avenue.

A call was sent at once for ambulances, doctors, nurses and policemen.

Employees meantime began rescue work, and with great difficulty brought up one man, who was unconscious.

Panut Pusher In Snow Battle
COLORADO SPRINGS, Colo., May 29.—(UP)—Bill Williams' penchant for peanut pushing took the Texan up the higher slopes of Pikes Peak today and a heavy fall of snow during the night made the going tough. Bill had to go over his course twice today, the first time sweeping the snow away and the second time showing a peanut with his nose along the cleared path, which he provided beside the main highway. Right at the jump Bill found that there are more ways to lose a peanut in the snow than he had ever dreamed of and he accordingly replaced the going tough. FARM RELIEF IN SIGHT

During the past few years farm relief has been one of the principal questions before the American people. The deflation of the year 1920 caught the farmers unawares and they have not yet entirely recovered from the blow. Some of the specialized branches of farming have recovered their equilibrium and are on the high road to prosperity, but farming as a business has not kept pace with the onward march of the other American industries.

Since the agricultural depression all sorts of remedies have been offered for the trouble. Some of these have been sound and others unsound. Perhaps the position of President Hoover, that the solution will not be found in any one remedy but in several is about as sound as any that can be taken.

Congress is in session now and farm relief is the big item on its program. That farm relief legislation will be passed can be taken for granted. The attempt to solve the farm problem will not be embodied in one bill. A revision of the tariff to protect the products of American agriculture against the competing industries in some foreign countries, is one of the things which will be accomplished. This will be a part of the general tariff bill and in addition we may look for a farm bill embodying the sane and constructive thought of the Senate, the house and the executive department.

That a real effort is going to be made to solve this vexatious farm problem is now assured. The American government has always been interested in the farmer. This is not a new proposition. (In the heat of the campaign, the political demagogue often tells the farmer that the government has done nothing for him and is doing nothing. But an examination of the legislative and executive record of our administrations for the past generations show that quite the contrary is true. Students who have gone into the matter tell us that no less than 20 measures calculated to help the farmer and his industry in America have been adopted by our congress during the past 15 years. And some of the aid offered has been directly financial. It has been offered to the farmer thru three agencies, the Farm Loan Banks, the Joint Stock Land Banks and the Intermediate Credit Banks, at rates of interest which have been made as low as possible in the interest of agriculturist.

That the farmer has not yet completely recovered from post-war liquidation is not due to efforts to help him, but has been in spite of such efforts. It is now realized that more must be done and it will be done by the present congress. Without a solid, independent, prosperous farming element, our country cannot fulfill its destination, cannot be really well balanced and truly progressive. In time the remedy, perhaps we should say remedies, will be found and then the sun of prosperity will shine again in our agricultural regions.

Another reason why we want to go to heaven sometimes, is to find out how the neighbor women who precede us to that abode of rest get along without any recent operations to talk about—*Ohio State Journal*.

WAR MOTHERS PAY VISIT TO LETTERMAN

Members of the hospital committee of the Richmond chapter of American War Mothers visited the boys in Ward 106 of the Letterman hospital yesterday, taking with them gifts of fruit, cigarettes and magazines.

Those making the trip of good cheer were Mrs. Etta Curney, Mrs. Jane Kirkwood and Mrs. Susan Planchard. They report the boys to be as cheerful and happy as may be expected, and eager to receive visitors.

E. E. Brown, one of the boys of the hospital sends this little reminder to folks lest they forget the boys who fought for Old Glory. It is just a buddy's plea for the appreciation and sympathy due them who gave the best of their lives for Uncle Sam and are now forgotten in the hospitals of the country.

A PLEA FOR THE BUDDIES

By E. E. Brown, S. F.
I am going to tell you a story
Something you ought to know
Of the boys who fought for Old Glory.

The boys who were stricken low
By millions they answered the summons
When Uncle Sam asked them to go—
In hospitals now they are languishing
With hurts they will never outgrow.

To France they went with hearts singing
To see a duty well done—
They gave their strength to the Allies
To see the victory won.

Many lie in hospitals
Today when the fight is over;
And wonder if they are forgotten
The wrecks of a mighty war.

Do you realize they are lonely
And long for a tender hand—
For a touch of honest sympathy
For friends who can understand?

Just open your hearts to the Buddies
And help them to really feel
You are conscious of their existence
It will do more than medicine to heal.

Include them sometimes in your picnics,
Take them out for an auto ride,
Let them feel the appreciation
Which many folks nowadays hide.

I make this plea for the Buddies
For I know that you love the boys
And will gladly go the limit
To add to their daily joys.

With Us

Remember
Those Who
Are No Longer
With Us

Shall we forget—Can We Forget?

Today millions of bowed heads pause in thoughts of those dear to them who are no longer here.

We are living in the midst of PEACE and PLENTY—secure and free from war and pestilence—yet we remember those who sacrificed all for us.

Our peace has been won at a terrific price

This democracy of ours and all it stands for with the "PURSUIT of LIFE, LIBERTY and HAPPINESS," has been preserved only through the devo-

tion and self-sacrifice of thousands of AMERICA'S sons to whom that principle was dearer than life itself.

Now that no peril threatens and we enjoy PEACE and TRANQUILITY we remember those who came unselfishly to the fore when trouble came.

We honor on this day the noble men who so gallantly fought for the cause of humanity.

While pausing in due respect let us remember those whom providence has taken from our homes and our lives.

Inspiring speeches will be made on this day—but none can be so noble, so grand in magnitude as thoughts of the noble lives sacrificed in our behalf.

We honor and send our blessings to the Gold Star Mothers who know better than anyone else the cost of losing sons for their country.

WHEN THE GUNS ROAR A SALUTE TO THE NATION'S HEROES—LET US DOFF OUR CAPS TO THOSE WHO GAVE ALL THAT WE MIGHT HAVE PEACE.

ECLIPSE NINE DEFEATS S. O. TEAM

The Eclipse lodge of Odd Fellows yesterday defeated the Boiler Shop nine of the Richmond Commercial Twilight league at first street field by a score of three to one.

C. Orr pitched for the Linkers and allowed but three hits during the day. Neville was on the mound for the Boiler Shop team and allowed three hits, too. Errors by the Boiler Shop nine lost them the game.

The Linkers made one run in the third inning and two runs in the fourth inning.

The Boiler Shop nine made its lone run in the second inning.

Corns Cost U. S. Millions A Year

BOSTON, May 29.—UP—Corns and callous cost the country something like \$100,000,000 each year in reduced personal efficiency, according to Dr. M. S. Harmolin, president of the National association of Chiropodists.

"There may be a pair of perfect feet in this nation but we doubt it," he said. "At least we were unable to find a pair that closely approximated the anatomically normal foot in an exhaustive survey of the nation's feet that included reports of hundreds of public clinics in city and town, kindergarten and colleges, markets of trade and great industrial plants the country over."

Modern methods of living increased liability to foot ills, he declared.

Greek Princess Orders Airplane

PARIS, France, May 29.—(U.P.)—Princess Aspasia of Greece, widow of King Alexander who ruled Greece from 1917 until he met his death by a monkey bite in 1920, has become the most fervent royal air traveler in the world. She has ordered a plane and pilot for her own travels around the continent and until it is ready she is using the regular commercial lines of Europe.

Although she was Aspasia Manos of non-royal birth and accepted no aristocratic status at the time of her marriage to Alexander, she was accorded full royal rank by special decree in 1922. She has one daughter, Princess Alexandra.

School nurse says all girls should know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically, and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping."

Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless. It works so easily. Every woman should keep a bottle on hand. Every drugstore has this remarkable substance. Get the genuine.

16 REMAIN IN STATE GOLF MATCHES

DEL MONTE, May 29.—P—Experienced golfers eliminated some of the youths who had been satellites in the qualifying round when first matches of the California amateur golf championship had ended here today and only 16 contestants remained in competition.

Two boys who had led the field with brilliant 75's in the first 18 holes of the qualifying round were defeated by older but less publicized players.

At the same time, however, the defending champion, John J. McHugh of San Francisco, and the southerner who tied him for medal honors, Fay Coleman, were winning easily.

The youths who had been chosen as possible successors to the crown held by McHugh and were eliminated were Danny Sangster, Los Angeles high school student, and Ralph Hoffman of San Jose. S. F. Belford of Santa Barbara beat Hoffman, 3 and 1. Sacramento was defeated by William Kaycock, Del Monte, 4 and 5. Kaycock barely qualified with a 170 while Belford was 12 strokes behind Hoffman in inaugural play.

The closest and most interesting matches of the day each went to the 19th hole. In these Harry Eickelberger, San Diego, defeated Heinie Schmidt of Oakland and Lawson Little of San Francisco posed out Ed Lester of San Francisco.

McHugh's victory over Winston Fuller of Los Angeles was 6 and 5 and Fay Coleman was forced to eliminate his brother, Lester, by a score of 6 and 5.

Other results: Jack Neville, Monterey, defeated Claire Griswold, San Francisco, 3 and 2; John DePaolo, Bakersfield, defeated J. Warren Johnson, Los Angeles, 4 and 2; Lyle Decker, San Jose, defeated Gerald Hardy, San Francisco, one up; F. C. Stevens, Jr., Los Angeles, defeated A. C. Sato, San Francisco, one up; Claire Goodwin, Oakland, defeated C. M. Heron, San Jose, one up; E. J. Haddon, Oakland, defeated George Horan, San Francisco, 2 and 1; George Ritchie, San Francisco, defeated Francis Boyd, Santa Barbara, 2 and 1; John Arnell, Los Angeles, defeated Walter Fovargue, Tacoma, Wash., 4 and 2; L. S. Stroud, Bakersfield, defeated Warner Edmonds, Jr., San Diego 2 and 1, and Harold Thompson, Glendale, won by default from Phil Forre, Jr., Los Angeles.

Pairings for Thursday morning the survivors to play another 18 holes in the afternoon, are:

McHugh vs. DePaolo; Stroud vs. Kaycock; Neville vs. Arnell; Little vs. Belford; Coleman vs. Ritchie; Eickelberger vs. Decker; Stevens vs. Hadden and Goodwin vs. Thompson.

Redmen Will Meet Danville Juniors Today

What promises to be one of the most interesting games of the season will be played here this afternoon when the Redmen baseball team tangles with the Danville Juniors at the First Street park this afternoon at 2:30 o'clock.

This game will give the local Redmen a chance to better their team work and will be a good practice session prior to their battle with Crockett Legion team at Crockett Saturday.

The Danville Juniors are all Richmond boys and have had more experience than the junior champs.

The lineups for the two teams will be as follows:

Redmen: R. San Miguel, catcher; G. Lemon and one, pitchers; L. Searcella, first; M. San Filippo, second; George Weeks, third; Dalton, shortstop; P. Moltz, left; Rogers, center; Hampshire, right; Substitutes: Locke, Babich, Transue and Miller.

Danville: Klatt, center; Chambers, shortstop; Frankie, first; Prolo, second; Souza, right; Matler, third; Moltz, left; DeLuca, catcher, and Cabral, pitcher.

Cheese Made In America Gains In Popularity

MADISON, Wis., May 29.—UP—Limburger cheese has a "peculiar" odor, Wisconsin cheese manufacturers admit.

At the same time they offer the suggestion that "most of the odor is in the cheese next to the rind, which simplifies use of the cheese for those who prefer less odor with their cheese."

"Some Swiss cheese is blind, it has no eyes," was another revelation which the cheese-makers made concerning this state's chief dairy product.

And when it does have eyes—of varying sizes—they cause tears which are harmless. Eyes in Swiss cheese, according to the explanation of its makers, are nothing more or less than holes.

Wisconsin's cheese industry last year was worth more than \$77,000,000 to the state.

American, or Cheddar, type is produced in the greatest amount, though many other varieties are made in various sections of the state. It is sold in many shapes and sizes, but usually to a golden yellow in color.

Roquefort is made from sheep's milk in the French process, but here an imitation is produced from cows' milk made equally as rich as the milk of ewes by addition of cream. As in France, the characteristic flavor is secured by addition of moldy bread crumbs to the cheese curd.

GROUP FORMS SAVE DIABLO LEAGUE

MARTINEZ, May 29.—Preliminary steps toward the organizing of a league to "save Mt. Diablo" was effected at a meeting of Contra Costans, associated last night in Pittsburg. Resolutions were adopted urging an association to preserve as much of the mountains as possible for the state park. Suggestion was made that a meeting of interested organizations be held in Oakland in June.

It is intended that representatives of the county chamber of commerce, Native Sons and Native Daughters and chambers of commerce of Contra Costa and Alameda counties be present at the meeting.

The resolution followed a report of C. A. Hicks of Martinez, calling attention to a bill passed by the last legislature whereby the state can match equally any amount raised by private subscription for additions to the park area.

Mrs. E. C. Weister of Danville, chairman of the parks committee of Contra Costans Associated and the members of her committee, are to secure data on lands available for acquisition and a price on the two boulevards leading to the top of Mt. Diablo.

Resolutions urging the continuance of the Bay Barrier association and continuance of agitation until the barrier is built were passed by the members following a report by Harry Barnes, secretary of the Pittsburg chamber of commerce, on the fight made before the state legislature.

Proposals that jurisdiction of the waterways in the Delta district be transferred from the government to the county to permit replacement of ferries by bridges will be discussed at the next meeting to be held in Martinez. The move is being considered so that the region can be opened to automobile traffic.

Troop No. 11 In Plans For Memorial Day

After a regular business meeting last night in the Scout hall, members of Troop No. 11 of the Boy Scouts made plans for participation in the Memorial Day parade which will start today at 9 o'clock. The Scouts will meet at first street promptly at 8:30.

A bodyguard was also selected for the only G. A. R. veteran in Richmond.

Names were taken of those who are planning on going to the Scout summer camp at Sonoma, June 8 to 22. Several members of the troop have already signed up to go.

Tentative plans were made for a Court of Honor to be held June 12 at which time tenderfoot pins, registration cards and service pins will be awarded.

As next Wednesday's meeting will be the last of the season a feast has been planned for the boys. It will be a pot-luck dinner, each one bringing his favorite dish of food for the feast.

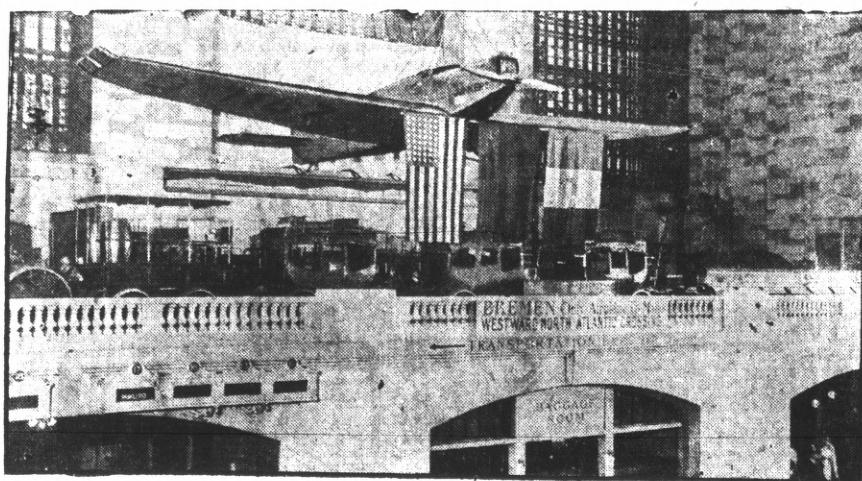

At the conclusion of the business session, held under the direction of Carl Rasmussen, the boys enjoyed a game of dodge ball.

CARTER'S LITTLE PILL

Bremen Exhibited In New York

Brave little German plane Bremen, which landed at Greenely island after flight from Germany, at unveiling in Grand Central station, New York city. The ship was presented to New York city by Baron von Huenfeld, late member of daring trio who flew in plane.

PILOT MAKES NEW SOLO RECORD

(Continued from Page 1)

stayed in the air 35 hours and 33 minutes on a recent attempt, but his mark was not recognized even though it exceeded the figure set by Thomas.

The National Aeronautical association requires that an existing record be exceeded by at least one hour. Jensen fell 17 minutes short of the hour after passing Thomas' record.

The plane was functioning splendidly and there was no sign of any mechanical trouble.

Success came to Lieut. Fahy after he started his second record attempt within four days. He was up 21 hours after taking off last Saturday, but was forced down by fog early Sunday.

On both flights his wife kept constant watch at Metropolitan airport, and with Mrs. Florence Leow Barnes, San Marino society aviatrix as pilot, made recent trips into the air to wave greetings to her husband.

Lieut. Fahy was in danger but once before setting the record. Early today his navigation lights became faulty and the flier switched them off, signalling he would fly in darkness. All airports were warned to have planes cross the valley at an altitude of 6000 feet.

Chief Cox Leaves For Convention

Chief of Police Daniel Cox and Mrs. Cox left Richmond last night for Atlanta, Ga., where they will attend the annual convention of the National Police Chiefs' association on June 3, 4, 5 and 6. The trip will last about three weeks.

In the absence of Chief Cox, Capt. L. E. Jones will be in charge of the local department. Members of the Richmond police force gathered at the railroad station to wish the Chief and Mrs. Cox bon voyage.

Mayer Funeral To Be Held Saturday

Rev. J. R. Rudkins of the Pinole Methodist church will officiate at funeral services to be held Saturday for Fred George Mayer, 62, of Hercules at the Wilson and Kratzler chapel at two o'clock. The Pinole lodges of Knights of Pythias will conduct the services. Interment will be in Sunset View cemetery.

Deceased leaves a widow and several children.

ACCIDENTS DELAY FLIGHTS OF TRANS-ATLANTIC PLANES

(Continued from Page 1)

revealed that the right wheel of the plane had been damaged.

The replacement of the broken wheel with a wheel taken from another Bellanca plane on the beach consumed so much time that Roger Q. Williams and Lewis A. Yancey, the pilot and navigator, decided to postpone the take-off until Thursday morning.

After the decision to wait until Thursday for the hop, it was decided to order a new wheel from the factory to be rushed here by plane. It was expected that the wheel will arrive late tonight and be installed immediately.

The failure of the French plane to get away today will probably mean that the American plane will hop off on its proposed 4750 mile flight to Rome first, instead

of at the same time as previously planned.

The French plane Assolant, Rene Lefevre and Armeno Lotti, Jr., have announced their intention of waiting until the tide is favorable for an early morning hop-off. Conditions will not be favorable for such a start now for four or five days.

Williams and Yancey, however, plan to hop off at any time during the day as long as weather reports are favorable.

While the report from Dr. James H. Kimball of the New York Weather Bureau that flying conditions over the Atlantic would continue favorable Thursday, it appeared that the American plane would be able to start its hop in the morning, while the Yellow Bird will await an early morning take-off.

Mrs. Florence Baker Reported Sick

Mrs. Florence Baker, formerly of the teaching staff of the Roosevelt junior high school, is reported to be seriously ill at her home in Kansas. She is at present confined to a hospital.

Mrs. Baker was forced to give up her teaching position here last fall on account of her health. Since her return to her home in Kansas she has been under treatment.

Salvatore Dana Rites Tomorrow

Funeral services will be conducted at 9:30 o'clock tomorrow morning from the St. Mark's church for Salvatore Dana, 73, 411 Ohio avenue who died here yesterday. Interment will be in St. Joseph's cemetery.

Deceased was a native of Italy and lived in Richmond 22 years. He leaves a widow, Mrs. Wilhelmina Dana and several children.

AT HOTEL CARQUINEZ

Arrivals at the Hotel Carquinez yesterday were A. E. Costanza of Martinez, J. A. Christie of Oakland Mr. and Mrs. R. J. Keeney of Eureka and B. Pora, B. A. Flynn and C. A. Pratt of Richmond.

Miss Ruth Galvin, daughter of Mr. and Mrs. John Galvin of Mira Vista, returned home yesterday from Marin county where she has been attending the Dominican college.

'Y' PREPARES FOR CIRCUS FRIDAY

Under the direction of the Young Men's Division, the Y. M. C. A. building is being transformed to give proper atmosphere for the annual circus to be staged tomorrow night.

Judging from the ticket sales, the event promises to surpass all previous shows. The "big show" will be staged in the gymnasium and will include a number of acts by various clubs of the organization.

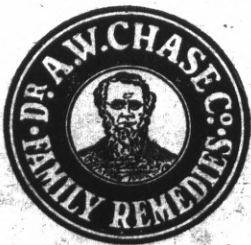

Stunts will be presented by the Girls' Hi-Y club; a minstrel show by the Young Men's Division; songs and tumbling acts by the Junior Girls' organization, band numbers by William Hillier's orchestra and tumbling numbers by members of the Hi-Y club.

A fortune telling booth will be in charge of the Girls' club. Wheeler Green will offer feats of magic; the Hi-Y club will present a play entitled "Before and After," there will be an "African Dodger" booth and a stunt side show.

Candy will be sold by members of the Girls' Hi-Y club and punch by Young Men's Division members.

GREAT LINDY, ANNE HUNT CONTINUES

NEW YORK, May 29.—(U.P.)—The honeymoon pursuit of Col. Charles A. Lindbergh and his young bride began lagging perceptibly today.

Having run down a rumor an hour for the last 48 hours only to find most of them of the red herring variety, carefully planted by friends of the couple to confuse the chase, the army of professional and volunteer newsgatherers lost heart. Some were reported to have remarked wearily that they didn't care where the Lindberghs were or how long they stayed.

Besides this sudden slump in morale, the journalistic conspiracy to reveal the honeymoon plans of the famous pair suffered other serious setbacks, not the least of which was a heat wave which struck the east. The enthusiasm with which tabloid Hawkshaws played hide and seek with the elusive couple yesterday wilted and drooped under the burning summer sun.

Abandoning for the present the fleet of motorboats, airplanes and fast motor cars which they pressed into use at duty's call and in which they scoured several eastern states with no luck whatever, most newspapermen tonight had serious doubts that the Colonel and his bride ever left Englewood, N. J., at all.

Martinez To Build New Junior High

MARTINEZ, May 29.—Construction of a new junior high school and the building of temporary structures to relieve crowded conditions were contained in a report presented last night to the board of trustees of Alhambra high school.

The report is a result of a survey conducted by Frank Hart and L. H. Peterson of the University of California, engaged by the trustees.

Among the recommendations contained in the report is the division of 15 acres in the Brown tract now owned by the grammar school district to permit usage of the southern three-fifths for the junior high school and the northern two-fifths by the grammar school.

The survey also urges the transfer of the fifth and sixth grades of the grammar school to the Alhambra annex as soon as the proposed junior high school is completed. The report is a preliminary one and will be augmented by details to be presented Monday night.

W. O. W. Lodge To Hold Show Here

Members of the Richmond camp of Woodmen of the World and their friends will be entertained tomorrow night at an entertainment in the Richmond clubhouse.

Capt. Thomas Jones, a noted magician, will be present and will entertain with a number of magic tricks.

Members of the group and invited guests, will be admitted to the event.

A NEW SIX AT A PRICE WITHIN THE REACH OF MILLIONS

Be among the first to see what distinctive appearance and what remarkable performance Buick can build into a six at a price within the reach of millions. The Marquette will stand at the head of its price class as naturally as Buick leads its field. Fitted with the latest design in closed bodies by Fisher, every line of this attractive new car spells style—but to appreciate the outstanding difference between the Marquette and cars of comparable price, you must judge it by performance. In this new six are the sparkle and snap, the responsiveness, balance, and ease of control of a truly fine car—with the added advantage of Buick-built sturdiness and stamina that mean uninterrupted service.
